SYMPTOM SURVEY

Patient Name: _____ Date: _____

Completing this form is particularly helpful if you have experienced persistent and bothersome symptoms from more than one category below. Score every symptom based on your experience over the last 30 days. Start with the first symptom and ask yourself, "Lately, have I experienced this symptom?" If you answer no or almost not at all, then write a "0" in the corresponding field. If the answer is yes, then ask yourself if you experience the symptom occasionally (less than 2 times in a week) or frequently (2 or more times in a week). After you have decided on the frequency, then ask yourself if the symptom is "Severe" or "Not Severe". Using the SCALE OF SYMPTOM POINTS listed below, write the appropriate score in the corresponding field for EVERY symptom listed. Total the points for each category, and add all category totals to come up with the Grand Total.

<p>SCALE OF SYMPTOM POINTS: 0 = Do Not Suffer From This Ever or Almost Ever 1 = Suffer OCCASSIONALLY (less than 2 times per week), is not severe 2 = Suffer FREQUENTLY (2 or more times per week), is not severe 3 = Suffer OCCASSIONALLY and is severe 4 = Suffer FREQUENTLY and is severe</p>	<p>Grand Total:</p>
